OUR STORY

From one tea shop in Namakkal to a growing brand.

Orange Blend Tea began in 2023 with one simple idea: every tea lover deserves a better cup. Our first outlet opened on Salem Road, Namakkal. Customers kept coming back for the taste, and today we serve them at 12+ outlets.

Fresh milk every day — never powdered.

Sulphur-free sugar — a cleaner, better sweetness.

Our own tea blend — the same taste at every outlet.
